

Jared's Dog Park

Roosevelt Forest, Stratford, CT

Jared was a resident of Stratford for over 30 years. He attended Chapel Street School, Flood Middle School and graduated from Bunnell High School. He was a member of the Cub Scout Pack 177, Stratford PAL, Explorer Post 4911 and became one of the youngest members of Stratford EMS. Jared also volunteered at the Audubon Society for many years, Nichols Fire Department and Trumbull Animal Group, from where he adopted most of his numerous dogs! He suffered an untimely death at 36 years young as a result of lingering injuries suffered from being hit by a drunk driver while driving with his pups. His happiest days were spent walking the trails in Roosevelt Forest with his fur babies! This park will allow his memory to live on and provide the people of Stratford a place where they can let their dogs run free and socialize with others. Thank you for helping to make his dream a reality in his memory!
